Student Residence Hall
*Cvjetno naselje*
About student residence “Cvjetno naselje”

The Student residence hall “Cvjetno naselje” is the second largest residence hall in Zagreb. It was renovated in 2015. It has more than 1700 beds and it consists of 8 buildings, a student restaurant, a coffee and pastry shop. Some of the University of Zagreb faculties are within walking distance from the residence: Faculty of Humanities and Social Sciences, Faculty of Electrical Engineering and Computing, Faculty of Machinery and Naval Architecture (10-15 minutes on foot).

All rooms in the residence are double-bed rooms, i.e. shared with a roommate (there is not an option to be alone in a room). Rooms have a small refrigerator and bathroom. There is a shared kitchen on almost every floor. You need to bring your own dishes if you want to cook.

Before arrival

Students staying for a period longer than 3 months need to do the Mantoux test (also known as the Mantoux screening test, Tuberculin Sensitivity Test, Pirquet test, or PPD test for Purified Protein Derivative) – please consult your family physician about this. A proof of the test needs to be submitted upon arrival, when collecting your room keys.
