

## A comprehensive outlook on Public Health from global experts.

Join this FREE virtual, four-week short course to gain insight into the field of Public Health with a global perspective. You will be part of a global virtual classroom amongst peers from around the world. Designed for third- or fourth-year bachelor's students, the Global Perspectives on Public Health (GPPH) short course is perfect for those who desire to enter the Public Health field.

---

Each 90-minute session will cover a current global public health topic and will be taught by a public health leader or expert faculty from across the globe.

Classes will be held on  
Fridays and Saturdays from  
8:30 - 10am EST  
February 12 - March 6, 2021

Upon successfully completing the short course, students will receive a certificate of completion from the University of Cincinnati.
